

The regular meeting of the Board of Trustees of the Village of Salem was held on Wednesday, September 1, 2010 in the Village office. Present were Mayor Anne Dunigan and Trustee Joe Childs. Also present were Superintendent of Public Works Eric Rogers, Village Historian Al Cormier, Fire Chief Bob Graham, and members of the press and public.

While waiting for another trustee to arrive, the Board entertained Laura Dunham's (Laura's Flowers, Route 153) request for some advertising space at the corner of Main and East Broadway. She would like to place a half-barrel of flowers with a sign for her business sticking up and pointing down Broadway. She would maintain it and in the winter it could be used for a Christmas tree. The corner was looked over and the matter discussed, and the Mayor felt since the sign dimensions were well within the legal limit and the barrel of flowers would be a nice addition to the corner, there should be no problem approving it at the rescheduled meeting.

As a quorum for the purposes of conducting business was not reached, the regular meeting adjourned and was rescheduled for Thursday, September 9, 2010. All reports will be presented at that time
